Just minutes south of Windsor awaits 18 magnificent Holes that will test your ability as a shot maker, and as a golf strategist. Pointe West blends lush bent grass fairways, through rough areas thick with deep fescue, all set in a rich medley of wooded and open links style Holes.

Five sets of bent grass tees provide a true golf challenge at over 6,631 yards from the back, to an enjoyable 5,076 yards for the less experienced players from the forward tees.
