MISSION STATEMENT

Pointe West Golf Club is dedicated to being the premier
Private Equity Golf Club in Southwest Ontario.

Pointe West is committed to providing a first-class golfing facility,
at a well maintained and operated Club, while offering Members and their Guests,
the highest standard of hospitality and service.

A MESSAGE FROM THE PRESIDENT

Dear Members:

On behalf of the Board of Directors, I would like to thank those of you who continually donate your time and knowledge to Pointe West by serving on our various Committees. The decision-making process at our Club is only as good as the discussions and decisions that take place at the Committee level.

I hope that all Members and Guests take full advantage of all of the attractive features of our Club, including a tremendous golf course, great food and socializing with your fellow Members, either before or after a round, on our spectacular patio.

I sincerely hope you enjoy your Pointe West experience.

***Warm regards,
Peter McMahon***

Members are asked to assist in the availability of tee-times, by only booking tee-times for fellow Members and their guests who have specifically committed their availability to the reserved time.

Members are allowed to book as a single golfer in any open tee time. However, the Golf Shop Staff have discretion in not allowing that single golfer to tee off if the Golf Course is busy.

Tee-Time Cancellation Policy

The Club has revised the tee-time cancellation policy for those individuals who make tee-times, but fail to make the reserved time, or periodically block spots in their tee time or cancel their time at such late notice that it can be deemed a lack of golf courtesy.

Member with Guests: The Member responsible for booking the original tee-time will be charged \$25 and an additional \$35 for each guest golfer in their group who does not show up for the scheduled tee-time or does not cancel or adjust their tee-time at least three (3) hours before the scheduled tee-time.

Members: Any Member, who does not show up for the scheduled tee-time or does not cancel their name from a scheduled tee-time at least three (3) hours before the scheduled tee-time, will be charged \$25.

Infractions: Members will be notified of any infractions by the Director of Golf. Members will be allowed two infractions with a fine being implemented on the occurrence of the third infraction. Fines will be charged to Members accounts. Any subsequent enquiry, or request for refund, should be made in writing to the Golf Program Committee.

Golf Shop Closed – From time to time the Golf Shop will have already been closed for the day when a member(s) need to cancel. We ask Members to attempt to cancel their name or tee time by using the TEEON Tee Time Reservation System OR to email the Golf Shop; proshop@pointwestgolf.com the Head Professional, Kevin Cote; kevin@pointwestgolf.com or General Manager/Director of Golf Rick Schmidtgall at; rick@pointwestgolf.com

Inclement Weather – On days of inclement weather including rain, thunderstorms, frost delays, wet course conditions, but not limited to, discretion will be used by the Head Golf Professional in discussion with the Golf Course Superintendent.

Pace of Play

Players failing to maintain their place due to slow play, shall lose their position and must give way to players following behind.

Players are encouraged to use the Club's facilities after nine holes of play, including the Terrace on the Turn, but **are expected to** pre-order their food requirements. Players are not allowed to stop for lunch under any circumstances and are expected to maintain their pace of play and course position at all times.

Pointe West has adopted a preferred "Pace of Play" for a round of golf, as four (4) hours and fifteen (15) minutes. Players are expected to embrace "ready golf" and move briskly on the Course.

Players unable, or unwilling to abide by this rule, may be asked to allow other groups through, or miss holes to restore their correct position.

Members responsible for slow play, in excess of four (4) hours and thirty (30) minutes, will be issued a "slow play" violation letter, by the Golf Program Committee, and may be subject to further disciplinary measures should additional infractions occur.

On occasions when a group is significantly holding up another group, to the extent that a full hole is available, the quicker group should be allowed to play through, irrespective of the number of players in the group. Once the signal to play through has been given, players should stand aside and allow the following group to play through until out of range. A single player has no standing on the course.

Course Etiquette

The rules and etiquette of golf to be employed at Pointe West are those approved by Golf Canada, except where modified by local rules.

The Golf Course Superintendent requests that divots be replaced during periods of cool weather and when sufficient moisture is retained in the soil to allow a good chance for re-growth. During dry and hot periods, when little or no moisture is retained in the soil, sand mixture should be firmly packed in the spot in lieu of replacing the divot. Players are also asked to review the immediate area and fill in spots wherever possible.

It is also the duty of every golfer, to repair pitch marks in the green, and rake all footprints in bunkers. Players should leave a green or bunker how they would like to find it.

Registration & Member Play

All Members must register at the Golf Shop prior to play. When hosting guests, all guests must be registered, by the Member, with the Golf Shop. Play will commence from the 1st tee only, unless instructed otherwise by the Golf Shop Staff.

Players must not cut in at any time, unless there is a clear hole, and then only at the permission of the Golf Shop Staff.

Property Damage

Should window breakage or other damage, or suspected damage occur to private property adjacent to the golf course, including but not limited to that caused by the golf ball of a Member or guest, **the individual Member or guest causing the damage is liable for reparation.**

The Member or Guest should provide the owner of the property with their name and phone number, either in person, or by leaving a note in the mailbox of the home.

The Golf Shop should be notified of any damage or potential damage, as soon as possible after completion of the round.

It is recommended that Members ensure their insurance is adequate to cover such incidents.

Cell Phones and Similar Electronic Devices

Pointe West recognizes the common use of cell phones, pagers, Smartphones, and similar electronic devices in today's society and appreciates the value of them in emergency situations. In order however to maintain the family character and atmosphere of the Club, and as a courtesy to others, Members are asked to use cell phones, pagers, Smartphones, and similar electronic devices at a minimum and to ensure their use does not spoil the enjoyment of the Club's facilities for other members and their guests.

Members and their guests are accordingly asked to ensure their cell phones, pagers, Smartphones, and similar electronic devices are turned off or have their ringers de-activated at all times, while on the Golf Course. Should it be necessary to make a call while on the Golf Course, Members and their guests are asked to keep the length of the call to a minimum, and furthermore, to use the courtesy phones located within the Clubhouse whenever possible, especially should they be required to make a call of any significant length.

Guest Play

A Member may **only introduce three guests a day and must play with these guests.** If a Member wishes to entertain a number of additional guests, they may request an outing by submitting a request to the Golf Program Committee, care of the Head Golf Professional or the Director of Golf. The outing should be for a maximum of 60 players, with the start time approved by, and at, the discretion of the Head Golf Professional or the Director of Golf.

Revised in the 2021 the following are weekend and holiday Guest Restrictions

- Saturdays – Members will be limited to bringing one guest between 6:30 am and 7:59 am (Member cannot book themselves and three guests)
- Saturdays – Members will be allowed to bring a maximum of three guests after 10:30 am

A Guest that has enjoyed golfing privileges twice within a calendar month, cannot be introduced as a Guest of another Member in the same calendar month.

Members are reminded that Junior Guests are only permitted to play at times allocated for Junior Members. Junior Guests are restricted on Weekends and Holidays until after 1:30 p.m.

Members are reminded that they are liable for any debt incurred by their guests and will assume full and complete responsibility for the conduct of their guests while on the Golf Course and within the Clubhouse.

Members are permitted to play golf with Staff of the Club; however, this can only occur on the designated days that Staff are allowed access to the Golf Course. The Golf Shop Staff have authority to not allow Staff to play with Members on non-designated days.

Member Morning Shotgun Weekends & Holidays

On the occasion when the Club conducts a morning Member Shotgun on a weekend or holiday the following regulations are to be observed.

Members, except for the following exceptions detailed below, may make a reservation with the Golf Shop in person, by telephone, or by using the TEE-ON Reservation System, seven (7) days in advance.

League Play

The Course is reserved for League play during the following times. Members and guests who are not signed up for the respective Leagues are prohibited from access to the starting tee during these times.

Wednesdays: Men's Fescue League: 1:30 p.m. to 5:30 p.m.

Reciprocal Clubs

Pointe West has formalised reciprocal arrangements with certain local private clubs in Windsor and the Essex-Kent region. Members wishing to play golf at other local private clubs should contact the Head Golf Professional, who can make the necessary arrangements. Members are asked not to contact these Clubs directly.

Golf Tournaments & Outings

Pointe West hosts a number of outside Golf Tournaments each year. A Member or Non-Member may apply in writing to the Club to host a tournament, care of the Director of Golf.

Furthermore, any Member may request an outing at Pointe West, by submitting a request to the Golf Program Committee, care of the Director of Golf.

Club Sanctioned Events

The Golf Program Committee, on occasion, may waive the charging of green fees for club sanctioned events. Club sanctioned events are those that are recognized and approved by the Golf Program Committee and are available to the general membership at large, subject to category restrictions.

Storm Warning

Pointe West has installed for the safety and protection of Members and Guests, the Thor Guard Lightning Prediction System and Voice of Thor Guard Horn Warning System. This sophisticated lightning prediction system detects the presence of lightning and severe inclement weather within a pre-set radius around Pointe West.

Members and their guests, upon hearing a ten second blast, must immediately discontinue play and seek shelter, by returning to the Clubhouse or using a dedicated Storm Shelter located on the Course.

Once severe and dangerous weather has passed, and the Thor Guard Lightning Prediction System has issued an all clear, play may be commenced after the sound of three short blasts.

Disciplinary action may be taken against any Member who does not strictly abide by the instructions of the Golf Shop, in matters of inclement and severe weather.

Mandatory Spikeless Shoe Policy

Pointe West does not permit steel or ceramic spikes at any time on the Practice Facilities, Golf Course or within the Clubhouse. Only soft spikes or spikeless shoes are permitted. Members should ensure that their guests are reminded of this policy prior to playing at Pointe West.

In circumstances where a guest does not have soft spikes, we request the arrival thirty (30) minutes prior to tee-time, to allow a Locker Room Attendant the opportunity of replacing the aforementioned spikes with soft spikes. A small charge for the cost of the spikes will be made in these circumstances.

Distance Measuring Devices

Pointe West allows the use of devices that measure "distance only", in all club events that are sanctioned by the Golf Program Committee. The use of devices that gauge or measure other conditions that might affect play, (e.g. wind or gradient) are not permitted.

Course Dress Code

All Members and their guests are required to conform to the Dress Code as outlined below. Members are reminded that they are responsible for the attire of their guests and should advise them of the Dress Code prior to their visit.

As directed by the Board of Directors, other attire may be deemed inappropriate at the discretion of the Golf Shop Staff.

Women and Junior Girls

- Sleeveless tops are permitted provided they have a collar and conversely, any top worn without a collar must have sleeves. Tank, tube, crop, halter and t-shirt tops are not permitted.
- Mock "T" Necks with long or short sleeves are acceptable attire
- Tops may be worn tucked in or untucked
- Tailored Slacks, Capris, Shorts, Skorts, Skirts and Dresses are appropriate with or without patch pockets. Cargo style Slacks, Shorts, Skorts and Skirts are not acceptable attire
- Short skirts, skorts, shorts MUST adequately cover a golfer's bottom and undershorts must not be visible at anytime

- Nylon Walking Suits are acceptable attire
- Leggings – you must also be wearing a skort, skirt or short when wearing leggings
- Soft Spike and spike less golf shoes and golf sandals are permitted
- Any clothing with offensive or vulgar language or images are not permitted

Men & Junior Boys

- Shirts must have a collar with sleeves or be a recognized golf shirt design, e.g. mock turtle or blade collar.

- Tailored Slacks and Shorts are acceptable attire, with or without patch pockets
- Nylon Walking Suits are acceptable attire

- Drawstring Pants or Shorts or Sweat Type Pants are not acceptable attire
- Denim or jean wear of any colour is not appropriate attire
- Soft Spike and spike less golf shoes and golf sandals are permitted
- Any clothing with offensive or vulgar language or images are not permitted

These regulations have been instituted to maintain the standards desired by the Club's membership. Themed tournaments may have special permission, if requested, to allow Members and Guests to wear non-conforming clothing that does not comply with the Club's Dress Code.

The Dress Code applies to all individuals who access the Golf Course, including; players, caddies, spectators, tournament workers and volunteers.

Club Management has been granted authority by the Board of Directors, to refuse golfing or clubhouse privileges to those not in compliance with the Club's Dress Code. Appropriate action will be taken for failure to comply with the Club's policy or requests made by Club Management regarding its compliance.

Golf Course Rangers

During busy periods, Course Rangers will be engaged in monitoring the "Pace of Play", to ensure it conforms with the policy currently in effect. Rangers will also help groups in location of balls, and aid groups or individuals who may need some form of assistance.

In situations where a group is failing to maintain the "Pace of Play", Rangers have been instructed by the Golf Program Committee to ask individuals to speed up play, to ensure they return to their proper position on the Golf Course.

If a group remains out of position, they can be asked to immediately suspend play and move forward until they are no longer out of position. Failure to comply with the request of the Ranger, will be dealt with by the Golf Program Committee in conjunction with the Conduct Committee, and could result in suspension of playing privileges, or other such action as deemed appropriate by the Committee.

Golf Carts

Pointe West owns and operates a fleet of electric golf carts for the convenience of Members. Due to the weight of the electric golf cart, they can create a problem to the maintenance of the Golf Course.

Carts which are improperly used can be dangerous to the occupants and cause extensive damage to the course, as well as the vehicle itself. The Golf Course Superintendent, or his designated Assistant, will have sole responsibility for determining when power golf carts may be used.

All Members and their guests must comply with the following rules, which will be strictly enforced.

- Drive golf carts on cart paths and in the rough as much as possible. Golf carts must remain on cart paths throughout all Par 3's
- Drivers must be a minimum of sixteen (16) years of age and hold a valid Driver's Licence. **(Beginner Licence not acceptable)**
- Drivers should exercise extreme care around the Golf Shop and parking lot areas. When approaching or crossing bridges, speed should be reduced and additional caution observed
- Drivers should avoid fast starts, which tends to tear turf. If any damage is caused to the Golf Course or damage or malfunction of the golf cart is apparent, these matters should be referred to the Golf Shop on completion of the round
- Maximum of three carts, of which a maximum of two Pointe West carts are allowed per group, other than during certain tournament play and then only at the discretion of the Golf Shop Staff

Do not drive Golf Carts:

- Within thirty (30) feet of the greens except on cart paths
- On mounds
- In the fescue
- Onto tees or side slopes of tees
- Soft spots or seeded areas

The Golf Carts are the property of Pointe West and fees charged are self-sustaining, based on upkeep and maintenance. It would be unfair to other Members, if the general membership paid repair costs for damage caused by users of the carts, therefore, the cost of repairing damage caused by a member or their guests will be charged to the member's account.

Medical Golf Cart Policy

Members and guests who have difficulty walking the course due to some physical disability or impairment, may apply to the Club for a minor dispensation to the existing Golf Cart Rules.

Members and guests wishing to avail themselves of the Policy should complete an Application Form, available from the Club Office, and supply a letter from a treating Physician, recognized by the Committee, which specifically states that they are physically unable to walk reasonable distances, including the period for which their disability will prevail.

Should the application be approved by the Golf Course Committee and Board of Directors, the applicant will be issued with a green flag which is attached to the cart, indicating the additional dispensation offered to them under the Policy.

Pull Carts

Pointe West offers complimentary pull carts to its Members and their guests. While a pull cart is not overly heavy, the continued tracking of carts close to greens and across tees, can cause compaction and damage to the turf over-time. As such, Members and their guests are asked to show common sense and courtesy when using a pull cart, and **to strictly avoid pulling carts across green aprons or tee boxes.**

Practice Facilities

Players are prohibited without exception from practicing on the Golf Course proper.

The Practice Range will be available from Mid-April to Mid-October, weather permitting. Members are prohibited from the Practice Facilities, which includes the Putting and Chipping Greens, prior to the formal season opening.

The Practice Range hours will coincide with the Back Shop, opening one half hour before the first tee-time and closing at dusk or 8 p.m. whichever is later, unless otherwise posted.

The Putting Green is for putting only. Chipping, pitching and sand shots should only be played on and around the Chipping Green.

Due to concerns over the continued availability of the Practice Range, because of the level of errant balls being hit over the practice range net, the Board of Directors approved the following recommendations from the Golf Course Committee, which Members and their Guests are asked to strictly adhere to.

- Players must hit balls from the designated hitting area or practice range mats when directed
- Players must abide by any posted signs or the specific instructions of the Golf Course Committee or Golf Shop Staff
- Players should aim their shots down the middle of the Practice Range away from the practice range net and Fairway #1

In circumstances where a player is witnessed hitting an errant ball over the practice range net, a warning will be issued by the Golf Shop Staff.

In circumstances where a player is witnessed hitting a second errant ball over the practice range net, the Golf Shop Staff will issue a second and final warning, instructing the player to immediately cease any actions which may result in additional errant balls being hit over the net. In the case of a member's guest, they will be asked to immediately leave the Practice Range.

Should the player hit additional errant balls over the net; a formal notification will be issued to the player from the Conduct Committee, suspending their Practice Range privileges for a period to be determined by the Committee and approved by the Board of Directors. Further infractions will result in additional suspensions being levied by the Board.

A flighted range ball is available which allows the use of all golf clubs, including drivers, fairway woods, hybrid clubs. The use of a regular range ball with irons only is acceptable.

Complaints

Members are requested not to reprimand employees or discuss Club matters with them.

All complaints concerning the standard of service should be directed immediately to the Supervisor or Manager on Duty, or the General Manager in their absence, or in writing to the Board of Directors through the General Manager.

Any criticisms, comments or other communications regarding the Golf Course, and its condition and maintenance, should be directed to the Board of Directors, care of the Administration Office or General Manager.

Members are reminded that Club Management, including the Director of Golf and Golf Course Superintendent, do not set policy or make rules, and accordingly should not be criticized if they, in everyone's best interest, find it necessary to inform a Member of a rule infraction.

Rules for Qualifying in and Playing in Club Matches

The Golf Program Committee, in conjunction with specific Tournament Committees, shall determine who may participate in Club Tournaments and Matches. Specific player eligibility is available upon request.

Participants in Pointe West Golf Club Matches must be golfing members throughout the duration of the matches.

Golf Canada rules will apply in all events including our local rules.

Players must have established a certified Golf Canada Club Handicap to qualify for any of the Match Play Handicap Events.

Any Club Match Play Event sanctioned by the Golf Program Committee has precedence over any tee time restriction that may arise, due to the category of membership and the tee time restrictions they impose, except for the tee time periods which have been established for the Fairway and Fescue League.

It is the duty of each golfer to contact their opponent and arrange a date to play their match.

No matches will be extended past the date and time set by the appropriate Match Committee.

Any dispute which may arise over the scheduling or non-playing of matches will be determined solely by the appropriate Match Committee.

Qualifiers must notify the Golf Shop, signing any required qualifying sheet before teeing off, and must post their first 18 Hole score of the day.

Golf Carts may be used in any Club Match or Tournament.

On Championship Weekend, the Golf Shop will schedule all tee-times, following policies established by the Tournament Committee and Golf Program Committee.

Cancellation Policy

Should a Member who has signed up for an event or tournament subsequently be unable to play in the event, **notice of cancellation should be supplied to Golf Shop Management at least 72 hours prior to the event.** Any cancellation after this specified time may be subject to payment of some or all of the entry fee/price.

The Board of Directors, from time to time, may develop additional Cancellation Policies for certain events, and Members should seek clarification on these policies from Golf Shop Management.

Errant Golf Shots & Yelling Fore

For Members\Guests who have hit an errant golf shot that is headed in the direction of a residence (home, condo, townhouse) or a backyard please **quickly and loudly YELL FORE.** This simple and kind gesture will allow for anyone in the target area of the errant shot to quickly take cover. When you yell "Fore" please do so repeatedly, loudly and if possible to include the direction of the errant shot. (ie Fore right or Fore left).

Private Property

Please **Do Not search for golf balls on private property** and **Do Not retrieve any golf balls from private property.** Any trespassing complaints by homeowners may be reviewed by the Conduct Committee.

Golf Canada & Insurance Benefits

Included in the 2024 Golf Canada handicap dues is insurance for coverage of items such as lost\stolen clubs and property damage including broken windows. Members should familiarize themselves of the available coverages by visiting www.golfcanada.ca. Any claims to Golf Canada need to be completed and submitted by the Member.

Music

During the playing of golf at the Club the playing of music should show consideration to others. This includes the volume of the music to not be audible to other players (only you should hear the music), not disruptive to private property owners, and not containing vulgar, offensive, obscene, profane or hateful lyrics.

Delinquent Accounts Procedure

The amount of the Member's indebtedness shown on their monthly statement is due and payable, on or before the last day of the month in which the statement was prepared.

An account becomes delinquent when it is twenty-one (21) days past due. A late payment charge, calculated at 2.50% per month, shall be charged to the Member for amounts billed on the monthly statement, which remain unpaid at the end of the month in which the monthly statement was prepared. For example: Charges on a statement dated June 30th would accrue a late payment charge on July 31st if unpaid by that date.

Should any amount remain unpaid when the account is fifteen (15) day past due, the Delinquent Member's charging on account and golfing privileges may be suspended at this time, until indebtedness is paid in full.

Should any amount remain unpaid at the end of the following month, the Delinquent Member may be posted within the Clubhouse and "CourseLine".

If the indebtedness is not paid in full within thirty (30) days of the posting, such Member may be subject to final expulsion from the membership.

These procedures are also in effect for designated players of Corporate Members. In those instances, both the designated player and Shareholder if different, will be subject to posting procedures.

A Member resigning from the membership is still liable in full for all Membership Dues & Fees and any other Club indebtedness, which has been incurred, or is due by the date of receipt of the Member's resignation.

Members cannot resign from the Club until all outstanding obligations to the Club are fully paid.

Membership Privileges for an upcoming season will not be offered to any Member whose account is in arrears, prior to commencement of the golfing season.

Member accounts must be up to date in order to start golfing in the current season.

Once expelled, the Club will proceed with legal action against the Member for unpaid Membership Dues, Fees and other charged indebtedness.

Membership Medical Allowance Policy

The Club has established a Membership Medical Allowance Policy for members who are enrolled in an Unrestricted Membership Category; Golf, Family, Senior and Intermediate, and are unable to enjoy their membership privileges due to illness or disability. **Please note: Social Golf and Junior Members, including Junior Members in a Family Membership, are exempt from this Policy.**

All requests for a Membership Medical Allowance must be made in writing and forwarded to the Membership Committee for their consideration, with supporting written documentation from the Member's treating physician, indicating the period for which the illness or disability will prevent the aforementioned Member from enjoying membership privileges at the Club.

A Membership Medical Allowance will be granted in the circumstance that the medical absence fits the present criteria set out by the Membership Committee and is for at least a minimum of sixty days between Opening Day and Closing Day of the season. If the Membership Committee believes that the medical absence fits their criteria, they will provide the member a Membership Medical Allowance for the period of medical incapacity.

During the approved period of medical absence, Membership Dues and Fees are due and payable as per your payment schedule.

At the end of the Member's medical absence, the Membership Medical Allowance will be calculated at 50% of the actual daily membership fee of time absent. The total amount of Membership Medical Allowance granted can only be used towards the Member's Membership Dues and will be split equally over the two following seasons.

If a Member chooses not to return as a golfing member the next season, the Membership Medical Allowance is lost. No "carry-over" or "transfer" of Membership Medical Allowance is permitted.

Example 1 A Member receives a Medical Absence in 2023 in the amount of a \$1,500 Allowance. If the Member decides not to come back in 2024, the full Membership Medical Allowance of \$1,500 is lost.

Example 2 A Member receives a Medical Absence in 2023 in the amount of a \$1,500 Allowance
If the Member comes back in 2024, the amount to be applied in 2024 would be an allowance of \$750 towards their Membership Dues
If the Member comes back in 2025, the amount to be applied in 2025 would be an allowance of \$750 towards their Membership Dues

Example 3 A Member receives a Medical Leave in 2023 in the amount of a \$1,500 Allowance
If the Member comes back in 2024, the amount to be applied in 2024 would be an allowance of \$750 towards their Membership Dues
If the Member decides not to come back in 2025, the remaining allowance of \$750 would be lost.

Access to the Golf Course is restricted during the Membership Medical Allowance, with the exception of Club Championship, when other “non-members” are spectating and walking the Golf Course. Access to the Clubhouse and Dining Room is welcomed and encouraged.

Should the Member wish to evaluate their recovery and determine their level of progress towards the end of their Membership Medical Allowance, a written request to utilize the Practice Facilities must be received by the Membership Committee for consideration and approval. If approved, the Member will be granted limited access to the Practice Facilities for a brief (15 minute) session during the week prior to their anticipated return date.
